WHAT HAPPENS

Low-risk activities get strangers talking and practicing approaches for engaging new people.

The framework bends to your team: solve the strategic gaps you face at work and generate solutions toward one direction.

Teams leave able to track progress quarter by quarter.

WHAT CHANGES

- Networking that produces relationships
- Cross-team communication that lasts past the event
- Innovative solutions toward one direction
- Impressive results tracked quarter by quarter

HOW WE MEASURE

The team leaves with a written action plan, each item tied to a name and a date. Thirty days later we check which items moved and report that back to the sponsor.

HOW IT FITS WHAT YOU HAVE

Runs inside an offsite, a kickoff, or a standalone half day. The debrief language matches your values and priorities so the lessons carry back to the day job.

INVESTMENT

\$10,000 per day

Per delivery · same number in USD, CAD and EUR
