

Cara Licastro 08/21/2020, 8:49:11 AM
Port Halifax - we see you have an action. Your Chief Officers will be there shortly.

Carrie Chief Officer 08/21/2020, 9:03:17 AM
nope

Jillian McKim 08/21/2020, 9:55:31 AM
Send SOS message with current location

Derek Redmond 08/21/2020, 9:58:15 AM
SOS | Name of ship | Location| Number of passengers | Number of crew | Estimated time to sink | SOS

Derek Redmond 08/21/2020, 10:00:37 AM
SOS | RMS Titanic | Location: 41°43.5N, 49°56.8W| 1328 passengers | 899 crew | 2227 souls on board | Estimated time to sink 12:30am - 1:00am | SOS

Derek Redmond 08/21/2020, 10:05:28 AM
ACTION: Use wireless radio to send communication to all in range: SOS | RMS Titanic | Location: 41°43.5N, 49°56.8W| 1328 passengers | 899 crew | 2227 souls on board | Estimated time to sink 12:30am - 1:00am | SOS

Derek Redmond 08/21/2020, 10:11:36 AM
ACTION: Use wireless radio to send communication to have Mount Temple, Parisian, Birma and Carpathia to come assist

Derek Redmond 08/21/2020, 10:12:01 AM
ACTION: Direct crew to start water pumps, prep lifeboats and life rafts, close watertight compartments

Mari Aoki Cioffi 08/21/2020, 10:12:29 AM
Action: Wake up crew

Derek Redmond 08/21/2020, 10:16:37 AM
ACTION: Tell staff to go to their working positions.

Derek Redmond 08/21/2020, 10:16:49 AM
ACTION: Use telephone to and brief crew on situation. Direct crew to start water pumps, prep lifeboats and life rafts, close watertight compartments.

Derek Redmond 08/21/2020, 10:24:51 AM
Brief staff on situation. Send enough staff to prep lifeboats and get them in the water. Direct crew to wake up passengers at the bottom of the ship, tell them the situation, have them to put on a lifejacket and get them to move to the lifeboats.

Derek Redmond 08/21/2020, 10:29:41 AM
Brief staff on situation. Send enough staff to prep lifeboats. Get port lifeboats in the water and move them to starboard side. Direct crew to wake up passengers at the bottom of the ship, tell them the situation, have them to put on a lifejacket and get them to move to the lifeboats on the starboard side.

Derek Redmond 08/21/2020, 10:30:22 AM
ACTION: Brief staff on situation. Send enough staff to prep lifeboats. Get port lifeboats in the water and move them to starboard side. Direct crew to wake up passengers at the bottom of the ship, tell them the situation, have them to put on a lifejacket and get them to move to the lifeboats on the starboard side (the ones still on the boat).

Derek Redmond 08/21/2020, 10:32:25 AM
Action: Blast steamwhistle

Mari Aoki Cioffi 08/21/2020, 10:32:53 AM

ACTION: Brief staff on situation. Send enough staff to prep lifeboats. Get port lifeboats in the water and move them to starboard side. Direct crew to wake up passengers at the bottom of the ship, tell them the situation, have them to put on a lifejacket and get them to move to the lifeboats on the starboard side (the ones still on the boat).

Derek Redmond 08/21/2020, 10:41:48 AM

ACTION: Tell passengers there is a fire and to move to the lifeboats. Move anchors to port side. Pump fresh water into the ocean.

Derek Redmond 08/21/2020, 10:47:50 AM

Load passengers and necessary onto lifeboats and lower them into the water when full.

Mari Aoki Cioffi 08/21/2020, 10:53:05 AM

*crew

Derek Redmond 08/21/2020, 10:55:51 AM

ACTION: Fire off flare to see if we can see the iceberg.

Derek Redmond 08/21/2020, 10:56:18 AM

ACTION: Load passengers and necessary crew onto lifeboats and lower them into the water when full.

Derek Redmond 08/21/2020, 11:07:59 AM

Build rafts out of the gang planks. Load 152 passengers and 36 crew on life rafts. Load 160 crew onto wood cutters. Use crew on the wood cutters to connect lifeboats together with cargo netting, rope, chains, and canvas.

Mari Aoki Cioffi 08/21/2020, 11:11:16 AM

Use sounding machine to determine depth under ship.

Mari Aoki Cioffi 08/21/2020, 11:12:20 AM

If reasonable, lower anchor to stop drift

Carrie Chief Officer 08/21/2020, 11:22:17 AM

TWO MINUTES

Carrie Chief Officer 08/21/2020, 11:34:02 AM

these are the first actions when we come back ACTION: Load passengers and necessary crew onto lifeboats and lower them into the water when full.

Carrie Chief Officer 08/21/2020, 11:34:12 AM

Build rafts out of the gang planks. Load 152 passengers and 36 crew on life rafts. Load 160 crew onto wood cutters. Use crew on the wood cutters to connect lifeboats together with cargo netting, rope, chains, and canvas.

Carrie Chief Officer 08/21/2020, 11:34:29 AM

se sounding machine to determine depth under ship.

Carrie Chief Officer 08/21/2020, 11:34:31 AM

reasonable, lower anchor to stop drift
