We are sending a wireless radio May-day message

Adam DiFranco 08/21/2020, 9:59:37 AM  
The R.M.S Titanic struc an iceberg at 23:35 with a location of 41 dgrees  
43.5N,49degrees56.8W. Iceberg collided with starbord side of the ship,  
leaving an approximate 100-foot gash below the waterline. We are sinking.

Action

Adam DiFranco 08/21/2020, 10:08:07 AM  
Wake Crew, 48 members selected to close the watertight doors and start  
pumping water out. 24 more to pump out the fresh water tanks

Natalie Mishchenko 08/21/2020, 10:23:59 AM  
Awake the rest of the crew

Natalie Mishchenko 08/21/2020, 10:25:24 AM  
Gather all crew and let them know we are sinking and what the plan is

Natalie Mishchenko 08/21/2020, 10:26:42 AM  
Crews prepping cutters, lifeboats & collapsibles

Natalie Mishchenko 08/21/2020, 10:38:34 AM  
Crew wake up third class passengers & get them to the deck. Once they are  
awake, then come back to the deck and we'll tell you who to wake up next

Natalie Mishchenko 08/21/2020, 10:44:21 AM  
Then send crew members to wake the second class passengers & get them to the  
deck. Third class & second class women & children begin getting on the life  
rafts with crew

ACTION

Natalie Mishchenko 08/21/2020, 10:59:55 AM  
Start steering the boat towards the iceberg

Natalie Mishchenko 08/21/2020, 11:00:10 AM  
Get on the horn to wake everyone up

Natalie Mishchenko 08/21/2020, 11:02:18 AM  
Move the boat backwards close to the iceberg

Natalie Mishchenko 08/21/2020, 11:03:00 AM  
Use the Kelvin to ensure we don't hit the iceberg again

Natalie Mishchenko 08/21/2020, 11:05:03 AM  
Dump the ancors

Natalie Mishchenko 08/21/2020, 11:05:10 AM  
Take 50 guys and start dumping coal

Natalie Mishchenko 08/21/2020, 11:06:11 AM  
Build the bridge with the planks, need about 299 to use the winch and cranes  
and cargo nets to connect to the iceberg

Natalie Mishchenko 08/21/2020, 11:06:50 AM  
Blow the steam whistle to wake everyone up

Adam DiFranco 08/21/2020, 11:08:52 AM
